

Here are comments taken right out of our guest book. These are written by guests who stayed in April 2011. We're not making these up – you can read them for yourself when you stay at Smoky Mountain Tower:

Thank you so much for the pleasure of renting your chalet. We were originally coming to celebrate my husband's retirement. But he got throat cancer and went to Heaven last Christmas day. We miss him so much. You and your family have been so kind to extend our time to come until after we had time to deal with our loss. We really enjoyed our time here – the bedrooms (privacy on each floor), game room for our grandchildren and close to both Gatlinburg and Pigeon Forge. Thank you so much. Hopefully we can come back this fall.

The drive from Michigan felt a little longer than usual. So glad to be back in Gatlinburg, and what an amazing house! The views are breathtaking. Had a great week!

Staying here for a week is great but not long enough. Can we move in? I've had lots of fun. The house is sweet – lots of privacy on each floor. Thank you for the nice time.

Thank you so much for the use of your wonderful home! After coming to Gatlinburg for many years, we have finally found the right place for our family. We will definitely be back! So much to love. The kids were especially fond of the pool table and their individual bedrooms. Plenty of space to spread out when we needed to. Lots to keep us busy – day & night. Lovely furnishings with a homey touch.

We had a wonderful stay in your cabin. It is the first time in 30 years that my mother-in-law has been to Gatlinburg and she loved it. Also, it was the first vacation we have taken with the whole family. It is a very relaxing place to stay. We had 7 adults and 1 child and this cabin was definitely big enough.
