

Here are comments taken right out of our guest book. These are written by guests who stayed in January through March 2011. We're not making these up – you can read them for yourself when you stay at Smoky Mountain Tower:

This week has been a very memorable vacation. With all the snow and icy roads, it was very challenging, but a wonderful family get-away and one much needed. Your cabin made our week so enjoyable ... it is so much more than the pictures on the Internet show. Thank you so much for allowing us to stay at Smoky Mountain Tower. *Terry and family, Alabama*

Thanks so much for the use of your home. This makes our second time coming to your place and we have greatly enjoyed ourselves. The place is fantastic and the kids have loved it. *Mark & Nell, Tennessee*

What a wonderful home you have here in the mountains. Your hospitality prior to our arrival was more than I ever expected. We had the most relaxing vacation our family has EVER had. Our children, from age 17 to 28, had never seen snow until this week. They have now skied, zip-lined and built a snowman in the Smoky Mountains. We'll be back! *Barbara, Florida*

This was a much needed getaway. This place is absolutely amazing. I plan on coming back soon to enjoy more. Thank you so much for providing such a nice getaway place. *Cynthia, Tennessee*

Your home is beautiful and cozy – a home away from home, as advertised. My children were so amazed by the view. It's breathtaking! The location of the chalet is just minutes from almost everything that tourists would like to visit. I just LUV it! My family will be back. *Shawonna, Tennessee*

We had a wonderful stay in your home! Thank you so much. There isn't anything we would change! *Tony, Tennessee*

We enjoyed our annual "Boy's trip" as usual. We always look forward to staying here! (Note: this is their 4th consecutive year!) *Joe, Sam, Luke, Jeff and Joey – Georgia*

Thanks for a great mid-week retreat with my family. We had a great time spending time together, cooking, eating, playing pool... It was restful and fun – our first family time since our son's wedding to his wonderful bride.

We had a wonderful 6 days here. The view, hot tub and fireplace were great. We will definitely be back – maybe this summer. We hope everyone has as much fun as we have!

Jerry and friends – Tennessee

We had a great time here. We played lots of pool and found out my mom has some 'hidden talents.' We didn't see much wildlife. However, we did see a snapping turtle crossing the road! We had a great time here and will probably come back.
