

Here are pictures of pages taken right out of our guest book. These are written by guests who stayed in July 2011. We've cropped the photos to remove personal references and comments about area activities, since we're concentrating on what guests have to say about their time in Smoky Mountain Tower. You can read the full comments for yourself when you stay at Smoky Mountain Tower.

Thank you for sharing your beautiful home with us this past week. We came on a family vacation and had a great time. To look out & see God's beauty every where was awesome. We saw the Mama bear & her 2 cubs several times, and it was a real treat for the girls. Our trip was one we will not forget, and we look forward to coming again, maybe in the fall season. God bless you all and "thank you" again.

This was our first time traveling to TN what a treat it was. This house really made us feel like home. Everything we clean everyone had there our space and the kids really enjoyed all the extra activities. We did get a chance to see the bears
