

Here are comments taken right out of our guest book. These are written by guests who stayed in July-September 2010. We're not making these up – you can read them for yourself when you stay at Smoky Mountain Tower:

Thank you for sharing your home with us for the week. Your home had plenty of room for all of us. The kids loved the pool table and game room. Along with those and the pool, we really did not need to leave. your location was perfect for everything we wanted to do. The upper deck's view was amazing. We loved sitting up there in the evening. *Beth, Michigan*

Not only were we able to spend quality time with friends, we were also blessed to be able to enjoy our time in your "Smoky Mountain Tower" together. The conveniences here are very generous. The outdoor grill was a nice addition for eating in...This place has a place in our memories. *Mike & Lisa, Virginia*

I'd like to thank you for such an affordable place to stay and thank God for all the beauty that surrounds this home. You both are so thoughtful. I can tell by all the little things you think to include – tape, matches, scissors, etc. It really shows how much kindness you have in your heart for others and what makes people want to return. *Paul & Karla, Ohio*

Although our stay was much too short, we enjoyed every moment of our vacation here at the cabin. I found this cabin on the Internet and saw the pictures and couldn't wait to come here. It is an amazing place you guys have here. It is much more beautiful in person than in pictures. My family and I can't wait to come back again for a longer period of time. *Ana, Florida*

We had a wonderful time here at Smoky Mountain Tower. The place was pretty and had lots of room for us. We loved the pool table, it got used a lot! But the best part was seeing a bear in the tree off the balcony. It was amazing! We had a great vacation and loved your Chalet. Thank you for sharing it with us! *Tonya, Alabama*

The Tower is beautiful! We love taking in God's beautiful mountain views! Thanks for sharing your place with us. We hope to get to come back. *John and Debbie, Louisiana*

I have never stayed in a home more lovely than this one, and that is why I thank you for giving my family the best vacation they ever had. Everything was great. The hot tub was perfect; the pool table entertained us for many hours; and the kids loved the game room. The environment was perfect for lazy-day BBQ-ing and playing pool, especially when the weather was not so great. Thank you for letting us relax, let go and be happy. Our family hopes to spend some family time here again soon. We'll miss it.

Today we had our cabin wedding here at the Tower. Our family members and friends love this place as much as we do. The 4-day stay was wonderful. I will recommend this to all my family, friends and co-workers.

My wife and I visit USA (from India) every year to be with family. This year, we holidayed in your mountain cottage, and it happens to be most interesting and all due to this cottage. We come from hilly region of India (lower Himalayas) and so we can appreciate beauty of location of your cottage. We have fallen in love with your place and hope we have chance to come again and again and again.

WOW! What a perfect spot for some much needed R&R. We only regret that we hadn't allocated more time here during our road trip. We could easily spend a week (or more!) here, just chilling out in this wonderful and relaxing space. Your detailed instructions, information and, most of all, the switch labels were a great touch and much appreciated. Thank you for sharing your wonderful home.

We came from West Tennessee and our kids from South Carolina to spend the weekend together. It was a great time had by all! This house was a perfect fit. So many personal touches here at Smoky Mountain Tower made this feel like home. Thank you for your hospitality and for helping us have such a great family weekend!
