

Here are comments taken right out of our guest book. These are written by guests who stayed in October-December 2010. We're not making these up – you can read them for yourself when you stay at Smoky Mountain Tower:

Came down for niece's wedding. Had a great time. Home was very nice. Pool and air hockey was fun. Saw a bear coming up to the cabin. Thanks for a nice affordable place to stay.

We really appreciated that we could spend a few days in your house here in the Smoky Mountains! The nature around here is beautiful and we have enjoyed some nice hikes. We've seen deer, wild turkeys and a bear (at a distance). Sadly, no bears outside the house. Thank you very much!

Thank you so much for letting us stay in your beautiful "cabin" again. It has been a real delight to spend the time here with Ernst & Lisbeth. We have had a very special time and we thank you. The time has passed too quickly!

Herb and Penny, South Carolina

We enjoyed this weekend. You have a wonderful house – great for a family weekend. Thank you! This will be our house again. We had several inches of snow Saturday morning – the kids loved it! We're all kids when something that exciting happens. *Larry and Sherry, South Carolina*

Thank you so much for letting us stay in your beautiful home. We had an AWESOME time and can't wait to come back. See you again really soon!

Terry and Sonya, Tennessee

We certainly have enjoyed staying in your home in the mountains. It is a lovely place. We especially enjoyed the pictures on the walls, which are a reminder of the beauty of God's creation all around us. We came here needing a rest from the pressures of our daily routines, and you have provided us with a wonderful setting for this to take place. Thank you.

Ernie and Joyce, South Carolina

Thanks for letting us stay in your cabin. It was wonderful. We enjoyed everything you had to offer! We plan to visit again soon. The city was a lot of fun and adventure-filled. Awesome cabin! Thanks a ton!

Thank you so much for allowing us to spend five nights in your beautiful home. This was the perfect place to “reconnect” with each other (4 children and 2 busy parents) with plenty of fun, space and comfort. We are also happy to restart our Thanksgiving tradion in Tennessee after an 8 year hiatus. The view from the tower in the morning and in the evening are breathtaking! We spent our days at Wonderworks, Magic Show and shopping, shopping, shopping. Our evenings were spent here, relaxing and having fun. Thanks for the memories. *Sue, Indiana*

Thank you so much for this perfect honeymoon getaway. We had an awesome time shopping, going to the Ripley’s exhibits and taking lots of pictures. It snowed on Wednesday (to our delight!) so we got great use out of the game room, pool table and fireplace! The view from the Tower is simply breathtaking – we couldn’t get enough of it. Thanks again. We can’t wait to come back – hopefully for our first anniversary! *Ric and Tori, Louisiana*

Thanks so much for letting us use your cabin. We had a wonderful family vacation that we will remember forever. We took our kids skiing for the first time – they loved it. We loved the seclusion of the cabin, the beautiful views, and the hot tub and game room! We almost got snowed in, but it was worth it! *Omar, Florida*
