

Here are pictures of pages taken right out of our guest book. These are written by guests who stayed in September 2011. We've cropped the photos to remove personal references and comments about area activities, since we're concentrating on what guests have to say about their time in Smoky Mountain Tower. You can read the full comments for yourself when you stay at Smoky Mountain Tower.

This is our 4th or 5th Labor Day here at Smokey Mtn Tower & we love it! We really appreciated the upkeep & beds provided in each bedroom as all 8 of us had a nice place to sleep. For the 1st yr we brought our 8 mo old grandson - our new joy! Coffee table in living room was just right for him to stand against but not reach in the middle. Had Bible studies quietly before family getting up. Didn't see bears this year, but got fill last year when they seemed "too close for comfort" for mom. Also couldn't go tubing cause water so low ☹️ but figured must not have been meant 2B. Enjoyed Smokey Mtn Tower immensely - hopefully we won't outgrow it before next Labor Day.

Had a great small week (9/7-9/11) beautiful here and area came with our son & his family, they live around Louisville, Ky & we are from Englewood, OH so a great place to be together. Saw the mama bear & her two cubs really started the holiday off!

This was our first visit to Smoky Mt Tower and we absolutely loved it! Everything about the chalet was just perfect... very comfortable accommodations. We definitely plan to return. It is a perfect (not too long) drive from MI. We also saw "eight" bears, which ~~are~~^{are} awesome to view in the natural habitat. Prior to our visit we only saw them with "bars" between us. AKA: The zoo! This is an excellent location

What a beautiful place! Way beyond our expectations. My daughter wants to move in. The view from the tower is spectacular. Didn't see any bears but our friends staying just down the road did.

We look forward to returning.
